

Giving to AFSH

The work of the American Foundation for Surgery of the Hand depends upon its generous donors. All contributions are allocated to the Annual Campaign, unless donors specify a restricted fund. If you would like to contribute to an established restricted fund, visit www.afsh.org/funds to see a complete list and make a donation or pledge.

Gifts of cash, checks, credit cards, appreciated stock, and life insurance policies can all be used to benefit the Foundation. Pledges are also welcome and are payable over one to four years at the donor's discretion.

How can you get involved?

- Donate online (login is required) at www.afsh.org
- Mail your check to:
AFSH
Department 2026
PO Box 87916
Carol Stream, IL 60188
- Donate to OREF at www.oref.org and direct your donation to the AFSH (minimum gift \$1000, the first \$500 going to OREF)
- Donate Stock – call (847) 384-8300 or email afsh@assh.org for more details.
- Make the AFSH the beneficiary of a life insurance policy.
- Make the AFSH the beneficiary of your will.

Planned Giving/Endowed Giving

Individuals interested in leaving part of their estate or making a significant contribution can do so through the AFSH Endowment Fund managed by OREF. To explore your options in supporting the AFSH through an endowed fund, contact OREF by calling (847) 698-9980.

Corporate Donors

Corporations and institutions interested in supporting the work of the AFSH through corporate donations may contact the Central Office at (847) 384-8300 or afsh@assh.org.
